Dear Friend of Scouting:

With the COVID-19 pandemic impacting everyday life, we thank you for your continued support and wish you and your community health and peace. Right now, the Garden State Council – Boy Scouts of America faces new challenges. As we adapt to these unprecedented circumstances, the Garden State Council Boy Scouts of America continues to serve our scouting communities. However, in order to ensure the safety of our community and ourselves, we’ve made necessary modifications to our fund-raising programming that we’d like to share with you. I am honored to serve as the Chairman of the Garden State Council’s 10th Annual BSA Sporting Clays Tournament and invite you to participate in this exciting event.

The Tournament is open to all, from experienced marksmen to first time shooters. Individuals can register as a team of four or separately. Teams will be comprised primarily of business and community leaders from across South Jersey. This Tournament will take place on Friday, September 18, 2020 at the prestigious M & M Hunting Preserve, Pennsville, N.J. For 2020 we plan on streamlining the event to meet safety objectives. The 2020 Sporting Clays Classic will be very similar to the first Sporting Clays Classic. There will be two (2) one hundred (100) bird flights. The first flight will be in the morning and the second in the afternoon. A lunch will be served between these two flights. The award ceremony will be live on Zoom after the event.

This event was created to provide funding for more Scouting opportunities through the many outdoor programs administered by the Garden State Council. The Garden State Council serves over 7,000 Scouts from Burlington to Cape May County. I am hopeful that you will consider participating in this wonderful tournament. There are various sponsorship opportunities which are described within this brochure, come join us for an enjoyable day, while supporting a great cause.

Sincerely,

Walter R. Sjogren
